

The Resource Fairy

A BESPOKE APPROACH TO PROFESSIONAL TRAINING

The Resource Fairy transforms corporate teams through engaging training with LEGO Serious Play, fostering creativity and collaboration. We also provide AI platform training to boost team efficiency and productivity, combining innovation with practical tools for lasting impact.

Sessions are designed for 2 to 12 participants and are held at your office, unless a different venue is preferred. Costs cover materials and facilitator time, adjusted based on group size and session length. Bookings start at a minimum of 1 hour and can extend up to 4 days, providing a flexible and impactful learning experience tailored to your team's needs.

Attendees	1 Hour Session	1 Day Session
